Connect Group announces appointment of new chairman

Connect Group announces the appointment of Dominique Moorkens as the new chairman of its Board of Directors. Dominique Moorkens has been an independent member of the Board since 2000. He is also chairman of the Board of Directors of Alcopa and Texaf and a board member of Guberna, a knowledge and networking centre for directors and companies.

Dominique Moorkens

Dominique Moorkens succeeds Erik Dejonghe as chairman of Connect Group. Under Mr Dejonghe's leadership Connect Group increased its capital in early 2011 and the shareholder structure was extended with Quaeroq as a reference shareholder.

Mr Dejonghe now sees his task as completed and is passing on the baton to the new chairman.

Erik Dejonghe: "I am pleased, after 8 challenging years, to be able to leave Connect Group at a time when the company is clearly back on a positive path. The task of chairman was in recent years very demanding and time-consuming. The new shareholder structure and the composition of the Board of Directors now make it possible to appoint a new chairman who will continue to lead Connect Group in the coming years."

Connect Group thanks Mr Dejonghe for all his efforts in recent years and wishes the new chairman every success.

Connect Group

Connect Group offers cost-effective, high quality production services to the professional industry. Activities include the production of cables and cable trees, PCB assembly and testing, production of semi-manufactures and final product assembly.

Connect Group's references include companies such as Alstom, ASML, Atlas Copco, Atos, Barco and Philips.

The company currently employs around 1,700 people in various facilities in Europe. The company's shares are traded on NYSE Euronext Brussels: CONN (www.euronext.com).
